CARE AND MAINTENANCE OF YOUR FAUCET

Your KINGSTON faucet has been finished to the most strict standards; however, due to the high content of minerals in the water, your finish may appear dull and tarnished after time. These are some do's and don'ts to maintain the luster on your faucet for many years to come.

DO

1. Use a silicon based caulking when installing.
2. Clean your faucet with only a mild soap and water solution.
3. Dry your faucet after using it.
4. Give it a coat of Carnuba Wax periodically.

DON'T

1. Use plumbers putty when installing the faucet.
2. Use any abrasive cleaning agents.

It may seem like a very simple and short list but it is that simple to maintain your faucet, looking shiny and new.

If your faucet is already looking somewhat dull and tarnished, before replacing it, try cleaning it with a 50/50 solution of vinegar and water, you may need to soak some rags and wrap around those stubborn areas, leave overnight and rinse completely in the morning, apply Carnuba wax once you have removed the mineral deposits.

INSTALLATION INSTRUCTIONS

Twin Handles Wall Mount Kitchen Faucet

BEFORE BEGINNING INSTALLATION:

1. Flush plumbing lines to clear any debris.
2. Shut off both supply lines after flushing.

1

1. Plumb two 1/2 -14 NPT nipples protruding from the finished wall 5/8" at 8" center to center.

2

2. Apply Teflon tape onto the threads of both stub-out supply nipples.

3

3. Remove elbows from faucet body and install to water outlet on wall with an adjustable wrench. Do Not Over-tighten.

4

4. Before mounting the faucet onto supply elbows, apply small black washers onto both elbows.

Need Tools:

Adjustable Wrench

Teflon Tape

Silicone Sealant

Screwdriver

5

5. Install faucet body to supply elbows and tighten the elbow with an adjustable wrench.

6

6. Turn on water supply valves and check for leaks, especially all supply line connections.

7

7. Remove the aerator, turn on the faucet, let water run for at least one minute, this will clear any debris left in the line, reinstall aerator.
