

Technical drawing of a shower head assembly with dimensions:

- Overall height: 14-5/16"
- Height from mounting surface to shower head face: 7-15/16"
- Horizontal distance from mounting surface to shower head face: 7"
- Height from shower head face to hot water inlet: 4-11/16"
- Hot water inlet diameter: Ø2-5/16"
- Height from mounting surface to hot water inlet: 2-7/16"
- Height from mounting surface to cold water inlet: 3-3/4"
- Height from mounting surface to cold water inlet: 7-1/4"
- Height from cold water inlet to shower head face: 4-1/4"
- Height from cold water inlet to hot water inlet: 1-5/8"
- Cold water inlet label: Cold
- Hot water inlet label: Hot
- Hose length: 59"
